TO: Mr. Lance A. Goranson

SUBJECT: Letter of Appreciation

Dear Mr. Goranson;

I wish to take this opportunity to thank you for your outstanding service during the time you were assigned to the Anchorage Industrial Training center.

Your class standing of number one shown your outstanding characteristics as a student and your work as a technician after graduation has been an asset to the Training Center and to the Techrep Division.

The work that you performed on the common logic portion on the AN/FYQ-9 system was of very high quality and was done with very little supervision. It has enabled the Staff at the Training Center to carry a full load of students and still rapidly approach the completed state of the common logic unit at the Training Center.

It is with great pleasure that I present this Letter of Appreciation to you.

Sam M. Lanham
Chief Instructor
Anchorage Industrial
Training Center
